

Narrator Profile

Name

Age

Role in Story

Personality

Use this section to describe what your character is like and how they behave. Be sure to include how they are when they are alone and how they act around others.

Voice

What kinds of words does your narrator use? Do they speak formally or casually? Do they repeat certain words or phrases? Do they use short sentences, long sentences, fragments, or a mix? What attitude comes through in the way they speak?
