## Christy's Houseful of Chaos

Hello! I'm a homeschooling mother, author, online teacher, and bookworm.

I teach classes about pirate history and classes about the Bible. My Bible studies classes look at the historical context in which the Bible was written and draw upon modern secular Biblical scholarship. I've also produced a book *A Secular Bible Study* for homeschooling families.

Visit [housefulofchaos.com/welcome/](https://housefulofchaos.com/welcome/) about my books and online classes or follow me on Facebook for updates on the random things I'm learning.

## Christy's Houseful of Chaos

*Christy Knockleby is a homeschooling mother, author, blogger and online teacher. She explores issues of political theory, the Bible as a work of literature, pirate history and more!*

Look me up online!

## Books

### **A Secular Bible Study**

Study the Bible as a work of ancient literature shaped by the political and social problems of its day. This book looks at how Canaanite mythology is woven into parts of the Bible, how the Bible reflects Assyrian succession treaties and more.

### **The Edge of the Circle**

A young adult novel about homeschooling teens learning about Shakespeare and Wicca.
