Each module includes 4 weeks of B4T Champions LIFE Assignments:

L = Learn | I = Integrate | F = Foster | E = Enjoy

- **Learn:** Content-focused assignments that help further the Champions' knowledge of the Lesson.
- **Integrate:** Action-focused assignments that help Champions to live out the monthly lesson in their personal lives.
- **Foster:** Multiplication-focused assignments that encourage Champions to share their experiences with their community.
- **Enjoy:** Delight-focused assignments that remind the Champions to find joy in God and others throughout the training.

Week 1:

- ☐ **Learn:** Read John, chapters 14-17 looking for what God's Word says about relationship.
- ☐ **Learn:** Spend 15 minutes with God without having an agenda.
- ☐ **Integrate:** Seek out someone to become your Church Leader Advocate (CLA) for the duration of this training. A CLA should be someone in leadership at your church (formally or informally) who can regularly track your progress for your personal benefit. Ideally, they should be someone who:
 - Agrees to meet monthly to encourage you and pray for you.
 - Helps you to build a deeper relationship with your church leadership.
 - Holds you accountable to your B4T Champion goals.
 - Will be able to open doors for you to meet with others in your church and community about B4T.
- ☐ **Foster:** Pray for 3 people in your sphere of influence (e.g., work friend, family member, church friend) to grow in their relationship with God and others.
- ☐ **Foster:** Share with someone what you are learning about relationships.
- ☐ **Enjoy:** Ask Jesus what He thinks and feels about His relationship with the Trinity. Praise Him for His insights.
